

# Career Center Chronicles

*An update from the Career Center*

## A Note from Mr. Franks

Greetings from the Porter County Career Center!

Welcome Back!!! Each month, I will be putting together a newsletter of useful information for students and parents.

Within the first few days, your student will be bringing home a folder with important paperwork. Please complete, especially the goldenrod colored page, and return these documents so we may have the most updated information on file.

We are excited to introduce Gradelink. Gradelink is the online platform the Career Center will be using for attendance and grades. Parents and students will be able to log in to see their progress. Information will be coming home regarding how it all works.
