Program Open Houses

We invite everyone to continue to check out our programs. **Our second set of open houses is Thursday, January 27 starting at 6 p.m.** Hear what the teacher has to say and ask questions about course content, book rental and fees, potential dual credits, career opportunities, transportation, and other things.

Our open house is a great chance to check out your potential teacher. If you are going to commit about half of the school day to one of our programs, you will want to make a good choice. Our classes can help you earn elective credits and complete a required graduation pathway. The classes are also fun and very hands-on.

Thanks to those who have submitted an online CTE application at pccte.org. Many are continuing a program for a second year, and others will be new to CTE. If you need to make adjustments, contact your school counselor. If you are not sure if you applied, email Dheitmann@valpo.k12.in.us. You need

Student Handbook
