

Meals on Wheels of NWI provides nutritious meals and wellness checks for approximately 1500 people in our community. We are in need of a part-time cook to prepare and serve meals. This would be a great opportunity for someone that has interest in the culinary field, working in a high volume kitchen, using state-of-the-art cooking equipment.

Hours are Monday-Friday 7am-12pm (we are also flexible with the shift start time)

Requirements include:

- 17 yrs of age or older
- Have reliable transportation to and from work
- Some experience and/or training in food preparation
- The desire to learn proper cooking techniques, following recipes, safe food handling, and providing an important service to the community.
