April's SEL focus is Forgiveness. Our programs will be conducting activities throughout the month surrounding this topic. It would be helpful to engage your student in a conversation about the importance of forgiveness and how it impacts lives and the work place.

## ACT/SAT information

Some universities are no longer demanding an ACT or an SAT assessment for admissions purposes.

Below are dates and deadlines for students who need the ACT or SAT. A current senior who plans on pursuing traditional postsecondary education should take ACT or SAT as soon as possible. Even though his or her college may not require it, having test scores on file could help with scholarships and placement. It is wise to take these assessments while a student is still actively studying English, math, and in some cases, science.
