

Career Center Chronicles

An update from the Career Center

A Note from Mr. Franks

Greetings from the Porter County Career Center!

The month of March tends to seem like a short month due to the highly anticipated Spring Break near the end of the month. However, there are many other things going on during the month of March.

- Many of our schools will be facilitating SAT testing during the first week of March.
- 3rd quarter ends March 11th
- Daylight Savings Time (spring ahead) occurs on March 13th
- and so much more (including nicer weather)!

We are excited here at the Career Center to see what March has to bring. We hope you are too!

Important Dates

March 21-25: All Schools-Spring Break

Welcome Mr. Watson

Mr. Charlie Watson is the newest addition to our PCCTC family. He is our Construction Trades instructor. He has spent the past 22 years

as a carpenter. He has worked in the commercial setting and in his own wood working shop.

Additionally, he has spent 13 years as a youth baseball coach; working with kids to help them master new skills.

He is eager to start this new chapter in his career and is excited to pass on whatever knowledge he can to the future journeymen of the trade.

Unity

March's SEL focus is Teamwork. Our programs will be conducting activities throughout the month surrounding this topic. It would be helpful to engage your student in a conversation about the importance of unity and how it impacts the work place.

ACT/SAT information

Some universities are no longer demanding an ACT or an SAT assessment for admissions purposes.

Below are dates and deadlines for students who need the ACT or SAT. A current senior who plans on pursuing traditional postsecondary education should take ACT or SAT as soon as possible. Even though his or her college may not require it, having test scores on file could help with scholarships and placement. It is wise to take these assessments while a student is still actively studying English, math, and in some cases, science.
